Welcome Back!

2023/4 Winter Season filled with a packed programme

Open Weekend

We are delighted to welcome all the new members who have just joined our club. A big thank you to the members who volunteered and making this event an outstanding success. A special thanks to Wing for hosting and organising the smooth running of the four open days.

Rink Booking System

Why the change

Members have requested a rink booking system that is on line as well as the paper option on the Steward's desk. Unfortunately this is not practical. The paper copy will may be out of date and many members are not familiar with online booking systems....

Let's work together on this new system

Open for rink booking

How do I check availability of rinks for booking?

Visit Glebelands website
Members section
Rink Diary
www.Glebelandsibc.co.uk

A computer at the club will be available for you to check availability. Don't worry, one of the team will be there to assist.

How do I book a rink?

Email to Glebelandsibc@gmail.com with date and time slot required and we will respond accordingly;
or Fill in a rink request form.
or Contact the office. 020 8446 2090

The rink bookings on the web will be updated daily

Let's go Eco! The club will not be printing a card fixture list this season.

Paper copies will be available from the office. Better still, visit Glebelands website: Members Section; Fixture List
