In the past the club's financial year was 1st June to 31st May (12 months). It was agreed to move the year end to 30th September in line with the start of the winter playing season. Date for the AGM

League Prize Money

Club leagues, the distribution of prize money is governed by specific rules. The winning team and the runners-up will receive a predetermined share of the prize pool. In leagues with multiple divisions, the winner of the second division also receives a prize. To support the leagues, the clubs will cover any shortfall that remains after the registration fees have been allocated. This ensures that the league can operate smoothly and that the teams are rewarded for their performance.
